

New Castle Historical Society and New Castle Recreation & Parks Fall Trip

Intrepid Sea, Air, & Space Museum

For this fall's trip we will be visiting the famous Intrepid Sea, Air & Space Museum in NYC! Originally saved from scrapping in 1978, the *Intrepid* was opened as a military and maritime history museum in 1982. This impressive vessel served tours of duty in World War II and the Vietnam war. Following the *Intrepid*, we will be having a delicious meal at Gossip Restaurant, located on 9th Avenue. Fill out the form below to choose your entrée!

While visiting the *Intrepid* we will have a guided tour of the ship and it's many fascinating displays. These include 28 restored aircrafts, the world's first space shuttle, and of course, an entire ship-worth of preserved rooms that shows you exactly what it was like to live at sea on this amazing vessel. Join us on this captivating journey through history on October 22nd!
